DAVIDSON VILLAGE NETWORK MEMBERSHIP APPLICATION

Davidson Village Network is a non-profit 501(c)3 corporation founded by Davidson residents to help members thrive as they age in their own homes and community. Davidson Village Network provides a wide variety of activities and programs, as well as services from volunteers and vetted third-party preferred providers.

The first step in becoming a member of Davidson Village Network is the completion of this **Membership Application**. This application can be completed on-line, can be printed out, completed, scanned and returned to the membership team, or can be printed out, completed and mailed to the DVN address. The receipt of this application by the membership team starts the membership enrollee process. As soon as the Application is received, someone from the membership team will call the person(s) completing the application and set a time for an in-home visit. During the in-home visit we will provide the applicant(s) a **Membership Agreement**, which when signed becomes the contract between the member(s) and Davidson Village Network. The signing of the **Membership Agreement** and the payment of the annual membership fee mark the beginning of the membership year. The member(s) will also be given a **Member Handbook**, which is a handy reference about DVN. In addition, the membership volunteer will administer the **New Member Survey**, which provides a wealth of information about the new member(s). The packet of materials for new members will also contain information about how the new member can request services.
